Q. What is the Chapel of the Good Shepherd Hymnal Project?

A. The Hymnal Project is a new effort at Lutheran Life Villages to update and enhance the worship experience for our residents and guests. The Hymnal Project includes purchasing new hymnals (including additional large-print versions), altar books, organist manuals, software to create custom printouts and bulletins, and other needed upgrades to our worship delivery system to improve the broadcast quality of our services.

Q. How can I support this effort?

A. While friends can always designate their gift or bequest to the Chapel of the Good Shepherd, this year you can also sponsor a new hymnal or help sponsor other needs. Your tax-deductible gift of \$25 or more will purchase one hymnal for use in the sanctuary, and allow you to add a special message that will be permanently affixed to the inside of the book. Hymnal Project donors may choose to honor grandchildren, memorialize a family member, or add a special note to the sponsored hymnal. Other gifts will help cover additional needs for the chapel.
